## **HB 2438 - SB 2574**

February 16, 1998

**SUMMARY OF BILL:** Prohibits municipality from denying a beer retailer's permit to a qualified applicant solely because of a numerical cap placed upon the total number of permits to be issued by a municipality.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - Not Significant**  
**Increase Local Govt. Revenues - Not Significant**

To the extent that such caps exist and have restricted the number of permits issued, and to the extent that applicants apply for such permits and receive them that would not have done so in the absence of this bill, state and local governments will experience an increase in revenues from the issuance of such beer permits.
